

6×10^5

TD: f_n from can time cannot exist

Bottom up (Tabulation)

1. Array size

$n+1$
size

2. TD Base Case

BU already fill

4th fib no?

7th fib no?

3. Cell meaning: i th index \rightarrow i th fib no.

4. filling dr^n .

5. fill

6. find ans? 13
